INTRODUCTION:

Parent teacher meeting is a prominent and notable feature of the institute curriculum. The agenda of these interactive meets of the parent and teachers to discuss the overall development in academic and extracurricular activities of the student and to get a solution for any problem pertaining to academic and extracurricular growth of the student.

Parent teacher meetings are organised by the institute with a motive that the parents will get the opportunity to have close interaction with all the concerned teachers and institute authorities who work with their ward on day to day basis. These meets help the parents to discuss the progress shown by their ward and finding workable solutions to the problems students face to achieve professional and academic growth in concerned subject and extracurricular activities. Parent teacher meetings will be planned and organised to ensure that they are a positive experience.

SCOPE OF DOCUMENT:

This policy applies to all DVVPF's Medical College & Hospital premises, all undergraduate and postgraduate students and staff employed (on a permanent or contract basis), and all other persons engaged in business on behalf of the DVVPF's Medical College & Hospital, Ahmednagar.

PARENT'S ROLE:

1. The parents must be regularly in contact with the concerned mentor provided to the students by the institute to have regular updates about reforms in rules and regulations and notifications issued by the institute regarding course academic, extracurricular and fees issues.
2. Quarterly visits of the parents are must to the institute for having regular updates about the progress of their ward in academics and extracurricular activities.
3. Parents must keep a tract of their wards activities and friends community inside and outside of the institute campus as well.
4. Parents must make the students aware about their behaviour in institute and campus should be as per the rules and regulations of the institute and governing bodies of the courses.
5. Parents also must make students aware about the “Anti-ragging” campaign run by the institute and the government to make them a responsible citizen.
6. Parents must answer or meet the concern authorities if in any case instructed by the institute at a given time. Due to any reason parents not able to contact authorities they can contact PTM Coordinator to get the appointment with concerned authorities/ faculties or to change the appointment date scheduled.

NOTE: Under no circumstances should parent criticize any teacher in presence of his/her ward for it adversely affects the overall development of the student to a considerable extent and impedes his/her learning process. The student might develop a critical attitude, get de-motivated and might not accord due respect to elders.

PARENT TEACHER MEETING OBJECTIVE: -

1. The PTM are conducted to maintain the communication between parents, teachers and the students.
2. The teachers will provide factual information to the parents on their records to date.
3. Parents will learn about the progress of their ward in every subject.
4. Parents will learn about the areas of success of their ward as well as the areas which need to be improved.
5. Parents will be informed about slow learners and what improvements to be brought about.
6. Parents will learn how they can best support their wards in their academic and extracurricular progress.
7. Parents of fast learners will be informed and students will be appreciated.
8. Relevant personal information can be shared by the parents to enable the teachers to better understand and support the students in institute.
9. Teachers can have confidential discussion with parents on following issues
 - a. In case the student (he/she) is not able to develop interest in course/subjects.
