PRINCIPAL'S MESSAGE

Professor Dr. Mhaske Sunil Natha
Principal

I am happy to present before you the Annual Report of Dr. Vithalrao Vikhe Patil Foundation's Medical College and Hospital, Ahmednagar for the year 2017-18. Like previous years, this year also the achievements of the students and staff members have been encouraging.

The college is a cradle for development of students to grow and take their rightful place in society. The faculty that nurtures and grooms them needs to enhance their capability and lead by example. Faculty development is close to our heart and we encourage and provide opportunities to them by conducting regular Continuing Medical Education Programmes for them too.

Research forms a very important part of the academics. It is believed today in medical academia that you either 'publish or perish'. Though not part of the mandatory undergraduate curriculum, it is imperative that we encourage our students towards research to give them a head start in their professional careers. I am delighted to inform you that our students and teachers have been selected for research projects of the Indian Council of Medical Research (ICMR), MUHS, Nashik etc.

Our students also excelled in the fields of academics, sports, cultural and other extra-curricular activities and secured positions in the Maharashtra University of Health Sciences. I congratulate all of them.

The college is progressing in leaps and bounds and we are confident that we will go from strength to strength despite the challenges.

THE ANTIRAGGING POLICY

The institute strictly does not promote ragging activities of any form. The institute bears an "Anti-ragging Committee" & an "Anti-ragging Squad" to keep a check on ragging activities. An anti-ragging brochure is distributed to each student which enables a student to understand that ragging is an offense and that is a punishable activity. Banners & flex boards are displayed in community places like canteens, messes & dining halls. They are also displayed in all the hostels. The brochure majorly explains the acts of ragging, action taken against the accused and antiragging rules and regulations laid down by the Honourable Supreme Court. The "Anti-ragging Committee" functions according to the institutional standard operating procedures.

QUALITY ASSURANCE

The institute believes in maintaining quality in all its endeavours & hence structures an institutional level "Internal Quality Assurance Cell" (IQAC) & also discusses over the issues in the meetings of the college council.

The IQAC consists of a committee which performs on ground zero.

The IQAC is Chaired by the Dean & Coordinated by one of the senior teachers.

The IQAC for Academic Year 2015-16 is formulated with reference to letter no. DVVPF/MCH/IQAC/2018/03 dated 10/01/2018.

The IQAC committee consists of:

- Chairman (The Dean)
- IQAC Coordinator
- Eight Teachers
- One Member from the management
