DEAN's MESSAGE

Professor Dr. Mhaske Sunil Natha

M.B.B.S., M.D. (Paediatrics), M.B.A. (Hospital Administration), M. A.

(Public Administration),

Ph.D. Scholar (Paediatrics)

It is a great honor and privilege for me to present the Annual report: 2018-19 of Dr. Vithalrao Vikhe Patil Foundation's Medical College and Hospital, Ahmednagar. Our institute has enjoyed a prime position amongst the Medical Institutions of the country. Each year, the college has a number of noteworthy achievements to its credit.

The report so brought out would be a handy referral piece of reading incorporating all the relevant informational details, which are of 'consequence and relevance'. The 'Annual Report' also operationally turns out to be a mirror reflection of the happenings and doings by the various constituent colleges under the ambit of the University. It brings out their creative and committed activities in various domains, which pertain to teaching and learning, research, extension and also sustainable development of the society, as a whole.

A glorious paradox of an educational institute is that while the alumni grow old, the Alma Mater grows, forever young. As the institute inches slowly towards its centenary, it is hoped that these developments will constructively change the institutes for betterment of patients, greater efficiency of its enormous staff and help sounder training of its students and resident medical doctors, not to forget the support staff, nursing school and her alumni. At the end of the day, as several thousand patients walk through these hallowed portals each year with hope in their hearts, it will remain our primary responsibility to ensure that they get the best medical care from kind, caring and compassionate physicians; hands those comfort, soothe and heal.

I wish to compliment all the members of the faculty, residents, students and officials for completion of a great and momentous year.

THE ANTIRAGGING POLICY

The institute strictly does not promote ragging activities of any form. The institute bears an "Anti-ragging Committee" & an "Anti-ragging Squad" to keep a check on ragging activities. An anti-ragging brochure is distributed to each student which enables a student to understand that ragging is an offense and that is a punishable activity. Banners & flex boards are displayed in community places like canteens, messes & dining halls. They are also displayed in all the hostels. The brochure majorly explains the acts of ragging, action taken against the accused and antiragging rules and regulations laid down by the Honourable Supreme Court. The "Anti-ragging Committee" functions according to the institutional standard operating procedures.
