Professor Dr. Mhaske Sunil Natha

M.B.B.S., M.D. (Paediatrics), M.B.A. (Hospital Administration),
M. A. (Public Administration),
Ph.D. Scholar (Paediatrics)

It gives me immense pleasure and satisfaction to present the Annual Report of 2020-21.

It is pertinent to mention here that the institute witnessed remarkable progress in academics, patient care and research during this academic year. The institute is now one of the premier medical and educational hubs in rural Maharashtra.

The selection of MBBS graduates for postgraduate courses in various prestigious institutions of India as well as in well-known overseas Medical Universities reflects the academic worth of the institute. With the aim to develop competent, compassionate medical graduates, the institute has adopted New MBBS Curriculum from MBBS 2019 Batch, approved by the Academic Committee.

Human resource plays a central role in the development of an institute.

All departments are fully functional. The team efforts of dedicated and motivated faculty members and other supporting staff resulted in a significant rise in OPD and IPD patients. The hospital also has fully functional ICU, HDU, NICU and PICU. Diagnostic departments are well equipped with modern equipment and are rendering regular services. Our pharmacy located within the hospital premises provides medicines at a discounted price to the patients. The hospital also extends services to the community through Urban Health Training Centre and Rural Health Training Centre. The institute has constituted various committees like Institutional Research Cell, Institutional Ethics Committee, and PG Thesis Review Committee to promote various research activities amongst faculty, PG and UG students. All academic activities, services and research initiatives were centered around quality sustenance & enhancement.

I am sure that our committed team will not leave any stone unturned to give best academic output, the best patient care and highquality research.

GREVIENCE MECHANISM

The institute caters wholeheartedly for the student's grievances. The institute has a "Student's Grievance Redressal Cell". The Cell functions according to the "Standard Operating Procedures" and has an independent committee for the same.

Student Grievance Redressal Cell of Pad. Dr. Vithalrao Vikhe Patil Foundation's Medical College, Ahmednagar has been framed according to the University Grants Commission regulations 2012 (The Gazette of India, March 23-29, 2013) and Maharashtra University of Health Sciences (MUHS) for handling day-to-day grievances related to students and parents.

2. Framing standard operating procedures for any student's grievance redressal.
3. Allotment of duties of all members of student's grievance redressal cell.
4. Arrangement of at least two meetings of student's grievance redressal cell in a year and as per requirement.
5. To assure that, opinions of grievant and defendant are respected and any party should neither discriminated nor victimized.

THE ANTIRAGGING POLICY

The institute strictly does not promote ragging activities of any form. The institute bears an "Anti-ragging Committee" & an "Anti-ragging Squad" to keep a check on ragging activities. An anti-ragging brochure is distributed to each student which enables a student to understand that ragging is an offense and that is a punishable activity. Banners & flex boards are displayed in community places like canteens, messes & dining halls. They are also displayed in all the hostels. The brochure majorly explains the acts of ragging, action taken against the accused and antiragging rules and regulations laid down by the Honourable Supreme Court. The "Anti-ragging Committee" functions according to the institutional standard operating procedures.

QUALITY ASSURANCE

The institute believes in maintaining quality in all its endeavours & hence structures an institutional level "Internal Quality Assurance Cell" (IQAC) & also discusses over the issues in the meetings of the college council.

The IQAC consists of a committee which performs on ground zero.

The IQAC is Chaired by the Dean & Coordinated by one of the senior teachers.

The IQAC holds regular meetings.

In the present Academic Year (2020-2021), following meetings were held:
