M.B.B.S., M.D. (Paediatrics), M.B.A. (Hospital Administration),  
M. A. (Public Administration),  
Ph.D. Scholar (Paediatrics)

It gives me immense pleasure and satisfaction to present the Annual Report of 2021-22

It is pertinent to mention here that the institute witnessed remarkable progress in academics, patient care and research during this academic year. The institute is now one of the premier medical and educational hubs in rural Maharashtra.

The selection of MBBS graduates for postgraduate courses in various prestigious institutions of India as well as in well-known overseas Medical Universities reflects the academic worth of the institute. With the aim to develop competent, compassionate medical graduates, the institute has adopted New MBBS Curriculum from MBBS 2019 Batch, approved by the Academic Committee.

Human resource plays a central role in the development of an institute.

All departments are fully functional. The team efforts of dedicated and motivated faculty members and other supporting staff resulted in a significant rise in OPD and IPD patients. The hospital also has fully functional ICU, HDU, NICU and PICU. Diagnostic departments are well equipped with modern equipment and are rendering regular services. Our pharmacy located within the hospital premises provides medicines at a discounted price to the patients. The hospital also extends services to the community through Urban Health Training Centre and Rural Health Training Centre. The institute has constituted various committees like Institutional Research Cell, Institutional Ethics Committee, and PG Thesis Review Committee to promote various research activities amongst faculty, PG and UG students. All academic activities, services and research initiatives were centered around quality sustainance & enhancement.

I am sure that our committed team will not leave any stone unturned to give best academic output, the best patient care and highquality research.

## INTRODUCTION

Dr. Vithalrao Vikhe Patil Foundation, Ahmednagar, provides the service of education since 1986. This Foundation is registered under Bombay Public Trust Act 1950, dated - 5<sup>th</sup> July, 1982 -Reg. No-MAH-/544/ANR/82/ BPT/Act-490(Ahmednagar). Ever since then, the foundation pledges to provide quality education in the field of Medicine, Physiotherapy, Nursing, Engineering, technology, Pharmacy, Agriculture & Management.

Over a stretch of time an acute dearth of medical facilities was experienced especially in the rural background. Consequently, inspired by the shortfalls of lack of health care modalities, Dr. Vithalrao Vikhe Patil Foundation established a Medical College in Vilad Ghat, Ahmednagar on 2<sup>nd</sup> August 2004. The Medical College is affiliated to the Maharashtra University of Health Sciences, Nashik. Also, the institute is recognized by Medical Council of India (Superseaded by the Board of Governors), New Delhi in 2009.

Gradually under the competent directorate and prudence of the founder Late Dr. Eknathrao alias Balasaheb Vikhe Patil (Recipient of Padmabhushan Award) the institute acquired remarkable achievements in terms of academic and health services as well, at the grass root level. The legacy continues under the skillful stewardship of Dr. Sujay Vikhe Patil, CEO, Dr. Vithalrao Vikhe Patil Foundation.

Dr. Vithalrao Vikhe Patil Foundation's Medical College and Hospital has evolved as an excellent center in Medical Education, Training and Research activities of National esteem. It also caters for Health Care Services especially to the downtrodden and the underprivileged at the threshold level.

At the inception the Medical College catered for 100 seats for the undergraduate course in Medicine (MBBS) which then increased to the intake capacity of 150 students per year in 2015. Currently the

Medical College offers the intake capacity of 200 undergraduates and Postgraduate Courses, Ph. D's and fellowships in certain subjects.

The institution provides an unbiased opportunity to students seeking admission to various courses and streams by abiding to the guidelines issued by the DMER and the Government of Maharashtra.

**Grievant:** Grievant means a student, parent or group of students or parents submitting the grievance.

### **PTM**

The institute tries relentlessly to maintain communication between parents, teachers & the students. To achieve this, the institute bears a “Parents Teacher Association Committee”. The committee coordinated between Undergraduate Committee, Internal Assessment Committee, Attendance Committee & Mentorship Committee. It tracks student's performance & conveys to their parents. Annually two PTM's are held for the purpose, but due to covid pandemic parent teacher meet was not held physically,

The Committee is responsible to be updated with student's performance, internal assessment marks, other issues related to the students & performs over parent's suggestions to improve students overall well being.

### THE ANTIRAGGING POLICY

The institute strictly does not promote ragging activities of any form. The institute bears an “Anti-ragging Committee” & an “Anti-ragging Squad” to keep a check on ragging activities. An anti-ragging brochure is distributed to each student which enables a student to understand that ragging is an offense and that is a punishable activity. Banners & flex boards are displayed in community places like canteens, messes & dining halls. They are also displayed in all the hostels. The brochure majorly explains the acts of ragging, action taken against the accused and antiragging rules and regulations laid down by the Honourable Supreme Court. The “Anti-ragging Committee” functions according to the institutional standard operating procedures.

### QUALITY ASSURANCE

The institute believes in maintaining quality in all its endeavours & hence structures an institutional level “Internal Quality Assurance Cell” (IQAC) & also discusses over the issues in the meetings of the college council.

The IQAC consists of a committee which performs on ground zero.

The IQAC is chaired by the Dean & Coordinated by one of the senior teachers.

The IQAC holds regular meetings.
