AND

P.D. Vitthalrao Vikhe Patil Foundation's Medical College situated at Ahmednagar, Maharashtra, India, (which expression shall unless it is repugnant to the context or meaning thereof mean and include its heirs, executors, administrators, Board of Directors, and assigns)

.... (Party of Second Part)

.... (Herein after referred to as P.D.V.V.P.F's Medical College)

1. Institute of Advanced Training and Skill Development (IATSD) is a division of Happy to Help People Foundation (HTHPF), a foundation engaged in variety of socially beneficial activities having its office at Nerul, Navi Mumbai and dealing in Operations of Live Medical Counselling and Satellite Based PG-NEET counselling sessions for Medical Students.
2. Whereas P.D.V.V.P.F's Medical College is a private Medical College situated at Ahmednagar, Maharashtra dealing and offering MBBS, Dental, Nursing and Physiotherapy through their UG, PG and Diploma courses to the aspiring students.
3. IATSD is keen and interested in helping and educating the students of P.D.V.V.P.F's Medical College to crack the NEET-PG exam conducted by the Government of India, year on year. IATSD also has modular programs for students from each year of MBBS curriculum and partly for students from BDS and Nursing too.
4. IATSD perceives that there are huge benefits that can be accrued to students and Management of P.D.V.V.P.F's Medical College through these IATSD Live counselling and satellite educational programs. A few tangible benefits could be listed as below-

- a. IATSD covers all the 19 Medical subjects in full and are covered two times each year allowing the students to attend even some missed sessions. This ensures formation of good knowledge base for all students attending these counselling programs. All students would be current with latest knowledge and techniques, and ready to face challenges in their exams and interviews.
- b. The subjects are covered as per the year-wise syllabus of the Universities, so the students are always in sync with the college studies schedule.
- c. The improved standard of students can be seen directly from the college results and the NEET results giving an edge thereby improving P.D.V.V.P.F's Medical College ranking amongst Medical colleges in Maharashtra.

Institute of Advanced Training and Skill Development

5. The benefits accrued to the students are -
 - a. IATSD charges a very small amount towards the educational program as it is processed through a foundation.
 - b. Comfortable and spacious classrooms, pleasant study environment, study and exam material at nominal cost.
 - c. We also undertake NEET PG counselling sessions for Interns, which improve their understanding about the exam patterns, methodology of questions, type of studies required and style of answering in NEET PG exam for getting best results.
